## **Pastor Harold's Herald**

An apprentice, according to Funk & Wagnall's Dictionary, is one who is bound by a legal agreement to serve another for a fixed period of time in order to learn a trade or business. I am a firm believer in apprentices in every area of the church. It is how leaders are developed and equipped. 2 Timothy 2:2 is the basis for apprentices: "And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others." When Timothy joined Paul and Silas it tells us in Acts 16:3: "Paul wanted to take him along on the journey, so he circumcised him because of the Jews who lived in that area, for they all knew that his father was a Greek." Paul did not want there to be any stumbling block along the way as he felt Timothy had the potential to become a great leader. Timothy's mother was a Jew but his dad was Greek, so Paul circumcised him so that his work among the Jews would be more effective.

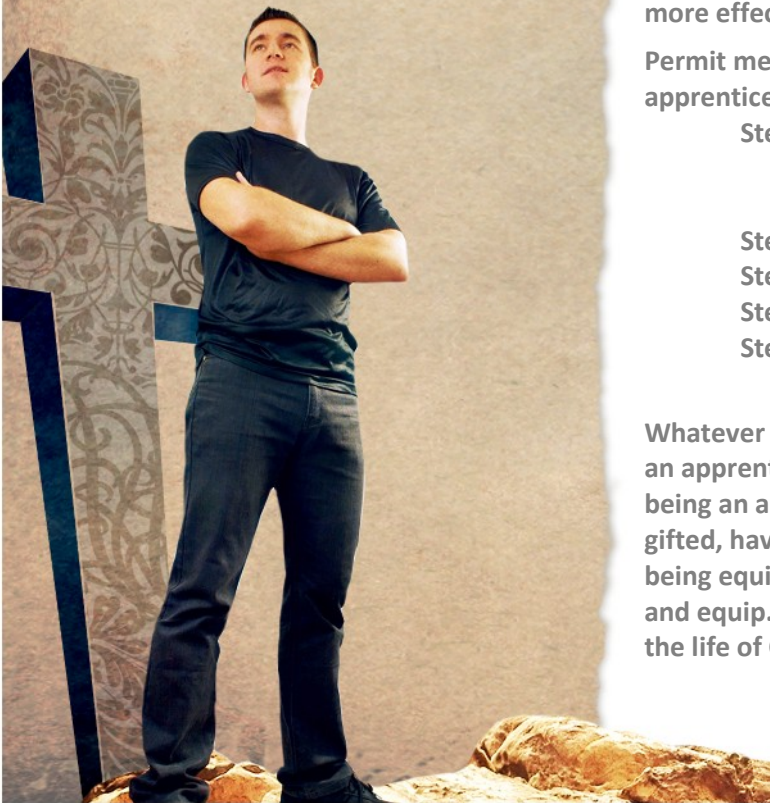

Permit me to share with you an effective tool for developing apprentices into leaders.

- Step 1: I do, you watch, we talk. What do we talk about? What worked, what didn't work and how can we improve?
- Step 2: I do, you help, we talk.
- Step 3: You do, I help, we talk.
- Step 4: You do, I watch, we talk.
- Step 5: You do, someone else watches (a new apprentice), you talk to them.

Whatever area of ministry you serve in, I encourage you to seek out an apprentice to train. If you are not involved in ministry, seek out being an apprentice in an area of ministry you feel you are spiritually gifted, have a passion and would like to serve in that area. Then after being equipped to serve and lead, find an apprentice you can train and equip. This is God's way of helping you to grow and reproduce the life of Christ in others. Think about it!

In Christ's Love,

*Pastor Harold*

KID'S NEWS at New Beginnings

## POWERSOURCE

### ASK GOD:

- To provide more willing workers for VBS & Summer 1-1-1
- To guide the church & staff decisions about the New Beginnings Milestone Path we are currently preparing for Fall 2011
- To bless you with a "fruitful" summer of living for and glorifying God.

## Feast on the Fruit of the Spirit

As summer gets into full swing, gardens and produce departments are filled with delicious, healthy fruit we've been craving all winter long. So it's a perfect time to share with children the "fruit" of our Christian faith.

In Matthew 7:20, Jesus said, "Just as you can identify a tree by its fruit, so you can identify people by their actions." God wants us to bear good fruit for Him, specifically "love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control" (Galatians 5:22).

Unfortunately, these fruits can be difficult to live out—especially in families consisting of imperfect, grumpy, and impatient people. But thankfully, God provides His Holy Spirit as our helper. The Holy Spirit leads us "in every part of our lives" (Gal.5:25), helping us plant, cultivate, grow, and share those spiritual fruits.

## PARENT/CHILD DEDICATIONS FATHER'S DAY WEEKEND — JUNE 18/19

*"These commands that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up."* Deut. 6:5-7

Please call the church office to make an appointment with Pastor Barb if, as parents, you would like to dedicate yourselves to the awesome task of parenthood—the training of your children to walk in the ways of the Lord! Deadline to be included in this weekend is Tuesday, June 14.

# Life Group News...

Even though many Life Groups are finishing up for the summer., that doesn't mean that you missed out on your opportunity to join a group. There are several groups that continue during the summer including the Monday Evening Men's, and the Wednesday and Thursday morning Women's. Check out the website for a complete listing of the groups available in the summer at

[www.newbeginningschog.com/groups.html](http://www.newbeginningschog.com/groups.html)

And if neither of these options fit into your schedule then mark your calendar for September 17 & 18 when we will be launching our 2012 Life Group year with 30+ groups meeting throughout the county.

We look forward to what God is going to do as we continue to **KNOW GOD, FOLLOW JESUS, and SERVE OTHERS** in our groups.

## Group Leaders

### Some Stuff You Should Know...

I want to remind you all to check out your group rosters on Access ACS and make sure that the church has current information on Group Members as we finish out our Life Group Year. If you have any problems with this program or need a refresher on how it works feel free to give me a call.

Also be watching for some upcoming information about Leader Training this summer. We are looking into a way to get information to you and allow you to give thoughts back without making you come to meetings every week. More details will come as we discover this new tool. Thanks for the great year.

## Parents of Teens and Teen Information

### TAKE A NEW APPROACH TO DATING AND RELATIONSHIPS

Parental stress goes up a notch as soon as kids enter the dating scene. How can you encourage your kids to have healthy relationships with members of the opposite sex yet stay safe and morally pure? Youth leader Josh Pease offers these suggestions that just might surprise you:

- **Don’t demonize sex, but don’t overglorify it either.** As you encourage kids to save intimacy for marriage, also emphasize that sex shouldn’t be just about self-satisfaction.
- **Model healthy relationships.** Let kids see what a sacrificial relationship looks like—on good days and bad. Show them how to work out problems.
- **Teach an “others-focused” approach to dating.** Instead of just asking, “Is this person right for me?” dating teenagers should also ask, “Am I right for this person?” Other questions to consider: By my behavior, do I influence the person I’m dating to be more like Jesus? Am I focusing more on what I can get out of them or on what I can do for them? Is my presence in their life right now distracting them from who God is revealing them to be?

As we emphasize abstinence and the beauty of God’s plan for marriage, Pease says, let’s also teach kids to model Jesus’ sacrificial love in their relationships now. That way, they’ll be better equipped to thrive as spouses in the future.

Dating is a hard topic for parents to discuss with their teens without leaving it in an argument. For those parents who are still able to, start the discussions young. Don’t allow the media to be the first to explain these things to your children. If your children are older and have already been influenced by the media and MTV, it is not too late. There are plenty of places to get help and plenty of ways to start now. Articles and helpful material can be found at [www.dougfields.com](http://www.dougfields.com) and [www.thesourceforparents.com](http://www.thesourceforparents.com). Be informed parents. It’s not an easy job, but you have been chosen to raise the children God gave you. Invest the time into learning and growing.

### THE VIEW

- 68% of teenagers say their friends are in “healthy” romantic relationships, while 19% say their friends are in “unhealthy” relationships.
- 48% of girls and 40% of guys say trust is the most important part of a healthy relationship.
- When asked who influences their dating relationships, teenagers list parents first (35%) and friends second (28%). Only 3% of respondents list “religious leader and faith community.”

# The Importance of Fathers

We live in a culture today that minimizes the role of men, discounts the importance of fathers, and generally tends to dismiss the male gender as unnecessary. As we celebrate Father's Day, let's take a moment to look at the important role that fathers play in the lives of their children.

Here are some statistics taken from InnocentDads.org:

1) 43% of US children live without their father [US Department of Census]

2) 90% of homeless and runaway children are from fatherless homes. [US D.H.H.S., Bureau of the Census]

3) 80% of rapists motivated with displaced anger come from fatherless homes. [Criminal Justice & Behaviour, Vol 14, pp. 403-26, 1978]

4) 71% of pregnant teenagers lack a father. [U.S. Department of Health and Human Services press release, Friday, March 26, 1999]

5) 63% of youth suicides are from fatherless homes. [US D.H.H.S., Bureau of the Census]

6) 85% of children who exhibit behavioral disorders come from fatherless homes. [Center for Disease Control]

7) 90% of adolescent repeat arsonists live with only their mother. [Wray Herbert, "Dousing the Kindlers," Psychology Today, January, 1985, p. 28]

8) 71% of high school dropouts come from fatherless homes. [National Principals Association Report on the State of High Schools]

9) 75% of adolescent patients in chemical abuse centers come from fatherless homes. [Rainbows for all God's Children]

10) 70% of juveniles in state operated institutions have no father. [US Department of Justice, Special Report, Sept. 1988]

11) 85% of youths in prisons grew up in a fatherless home. [Fulton County Georgia jail populations, Texas Department of Corrections, 1992]

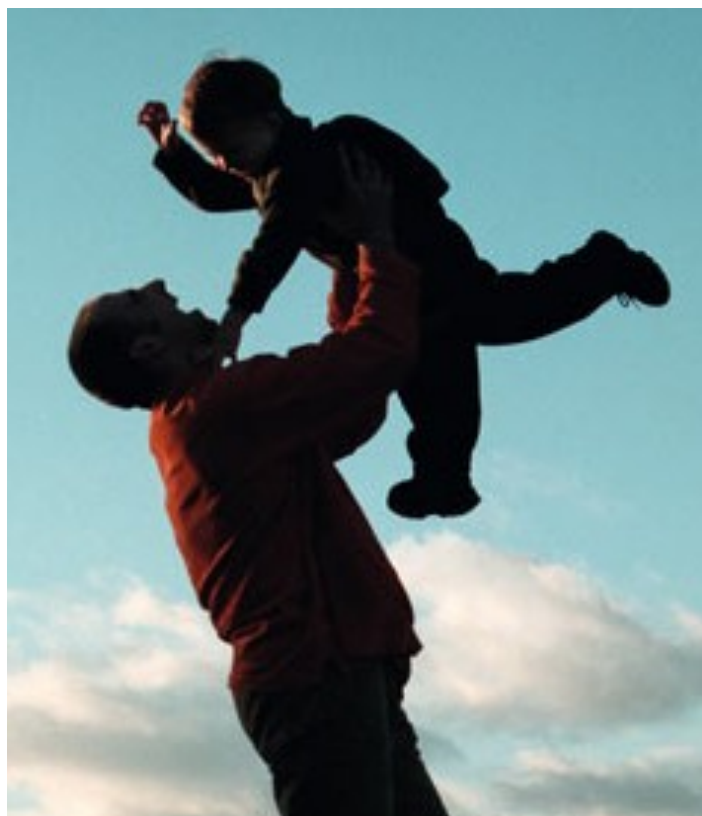

12) Fatherless boys and girls are: twice as likely to drop out of high school; twice as likely to end up in jail; four times more likely to need help for emotional or behavioral problems. [US D.H.H.S. news release, March 26, 1999]

So, Dads, take some time to connect with your kids today. You have the chance to influence not only your own children, but future generations as well.

Some excerpts taken from an online article by Mark Gungor at [www.laughyourway.com](http://www.laughyourway.com)

**"Fathers, do not provoke your children to anger by the way you treat them. Rather, bring them up with the discipline and instruction that comes from the Lord."**

**Ephesians 6:4**
